Happy New Year!!

Volume 13

January 3, 2011

The holiday break is over and it's back to practice and then the bulk of the competition season fires away!! Everyone is in action this week after practices at the beginning of the week, all teams will have matches over the weekend with the focus being on the Bash at Churchill for the Future Star and Clinic Team wrestlers.

What is a 'Bash'? This is an event where multiple teams show up and using a matrix of age/weight/skill level the kids are matched up to wrestle 3-4 matches with kids of similar age/weight/skill. The focus is not on the weight class but more on the skill rating and age and results in more evenly matched pairings.

The Mid Jersey Team entered the break with a split with Marlboro and Old Bridge. The victory over Old Bridge came down to the final match when 1st year wrestler Jason Chiriboga pinned his opponent to clinch the match for EB!! Unfortunately an injury and some illnesses caused forfeits against Marlboro and our boys fell just short of defeating the perennial league power.

EBWC hosted a quad for the Central Jersey Team and they went 2-1 on the day with big wins over Plainfield/North Plainfield and Summit and just losing out to Watchung Hills—this raises the team record to 3-1.

Our Grade School team suffered through a 1-4 streak during the break with the losses a result of no-show forfeits and the loss of injured HWT Mark Petscavage, who we still wish a speedy recovery.

Some diehard wrestlers attended the Fords Tournament and were led by Champion Danny Robertson, newcomer Ayden York took 2nd Place and Christian Perrine battled to 3rd Place while bumping up 2 weight classes to make room for some teammates.

Many of our new Clinic Kids and Future Stars battled it out at the South Brunswick Brawl and most went home tired after wrestling up to 5 matches in the day.
